The Humble General

My dad, brother and I love watching war movies. It fascinates me how much courage, bravery, sacrifice and honor go into fighting a war. I've read tons of books on the subject too. Hence, I was so excited when I heard that we were going to be featuring the leader of Campus Crusade's Military Ministry in our May/June issue of *Worldwide Challenge*. What I love about spotlighting Maj. Gen. Bob Dees (U.S. Army, retired) is how his life contradicts those of generals I've watched in the movies. After spending 31 years in the military, Bob now uses his experience and strategic planning mind-set for mission work. He and his executive committee counsel troops, mobilize churches and encourage partnerships. Bob and his team also reach out to those dealing with post-traumatic stress disorder. Please pray for Bob and Military Ministry as they minister to those serving in the armed forces. Pray that the Lord would give them wisdom on how to serve the men and women best.

Help for Haiti

Recently, the staff at our headquarters in Orlando partnered with Crusade's humanitarian ministry GAIN and packed over 110,000 meals for Haiti. We did this over a period of two days. My job was to write encouraging messages on the boxes for the people receiving them. During spring break, students going to Crusade conferences packed an additional one million meals!!!

Thanks so much to each of you for your generosity and prayers. I pray that God continues to bless you.

Until all have heard,

Christy
