Beautiful Beantown

Recently, my co-worker Hayley Newsom and I flew to Boston to conduct ethnographic research for Campus Crusade. While there, we interviewed Crusade staff in the area on various topics such as operations and staff life in general. Although we were only there for a few days, it was a great experience to be able to meet the staff, interview them and encourage them.

Boston is home to over 128,000 college students attending 25 schools. There are 35 Crusade staff to care for and minister to these students. That is a big job!! Hayley and I had a great time talking with the staff and learning about what it is like to do ministry there. It was so encouraging to hear what God is doing in this great city.

Hayley and I also had a few adventures. We decided to be brave and rent a car rather than take public transportation. We only ended up at the Brighton/Cambridge exit four times. Prayer and an iPhone go a long way ☺

Please join me in praying for the staff in Boston. Pray for encouragement and more laborers to help out with the 128,000 college students. Pray that more students will come to know the love of Christ.

I wanted to ask for prayer myself. I have been traveling a lot lately and can't seem to feel rested. I ask that you would claim Matthew 11:28 with me: "Come to Me, all you who are weary and burdened, and I will give you rest." Please pray that the Lord will renew my strength. Thank you!!!

As always, thanks so much to each of you for your generosity and prayers. I so greatly appreciate them and each one of you. I pray that God continues to bless you in all you do. Take care!

Until all have heard,

Christy
